

START SMALL & KEEP IT SIMPLE

Helpful Tips

- ✓ Select plants with the same water requirement
- ✓ Read the plant labels—select plants that will fit the space appropriately when fully matured
- ✓ Do not over plant
- ✓ Create a color scheme of your choice
- ✓ Plant in odd numbers for a more natural look and feel
- ✓ Incorporate different textures and elements
- ✓ Don't forget mulch

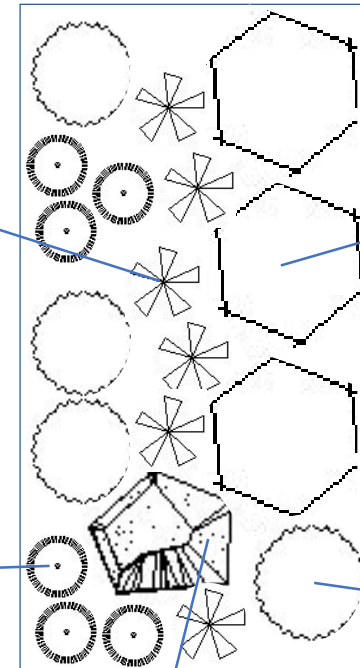

Transform that 6'x12' patch of grass next to your driveway into a vibrant and dynamic landscape!

Achillea millifolium 'Moonshine'
[Yarrow Moonshine](#)

Pennisetum alopecuroides 'Little Bunny'
