**Subject:** Opposition to Loudspeakers at the Wagon Wheel Sports Park

Joyce,

I oppose the one time use of loudspeakers at the Wagon Wheel Sports Park (or use anytime). I want to keep our neighborhood peaceful and quite.

Santa Margarita Water District needs to continue to enforce the lease agreement prohibiting lights and amplified sound at the park.

The Trabuco Canyon Little League does not need to host a tournament there and can use another facility or do it without lights and amplified sound.

Please do not allow them to use loudspeakers and also not allow them to hold tournaments (or use the facility) there if they are not going to follow the lease agreement.

Thank you,
